Fort Wayne, Indiana, February 15th, 1906.

DECLARATORY RESOLUTION NO. 124.

For the opening and extending of the alley north of Horace Street from the west line of Lot No.4 Bard's sub. to its intersection with the alley on the north line of Bard's sub.

To the Honorable Board of Public Works,

The undersigned, William H. and M. Spreen respectfully represent that they are the owner in fee simple and in possession of the following described real estate, to-wit;

Lot Three (3) Bard's Subdivision of Lot Five (5) Hannas Plat "A", city of Fort Wayne, Indiana; that said Lot will be affected by the opening and extension of the alley North of Horace Street from the West line of Lot Four (4) Bard's Subdivision of Lot Five (5) Hannas Plat "A", city of Fort Wayne, Indiana, to the alley on the North of the above mentioned Bard's Subdivision.

And the undersigned hereby remonstrate against the opening and the extending of said alley for the following reasons;

2nd. That the damages assessed of Thirty-two (\$32.00) Dollars by this Board are too small and insufficient.

And the undersigned further state that the opening and extending of said alley will sever said lot into two parcels; that the part of the ground cut off by said alley and lying North thereof will have no value, and that the value of said parcel and the ground occupied by said alley as a part and parcel of said lot Three (3) is of the value of not less than Fifty (\$50.00) Dollars; that the opening of said alley will necessitate the building of a fence by the

Wherefore the undersigned pray that said lot be not opened or that they be allowed damages of not less than Eighty-five (\$85.00) Dollars, and they pray for all proper relief.

respectfully remonstrate against the passage of a resolution providing for Vacating the
Alley in rear of said Property and opening one
in Place of said Alley. For the following reasons.

The present alley is sufficient to accommodate all property holders upon said Alley as there is an opening at each end and sewer is also located in present alley which will have to be changed if Alley is moved making an unnecessary expense to property holders and no improvement to said Property holders

Mr. G. W. Freiburger,

Dear Sir:-

In reference to the straightening of the alley North of your place on Horace St. You and I fully agree that as the alley now is, if my Company were to fence up their property, it would not be possible for a coal wagon to get through it; but, at this point, you claim that the Law is that we must set our fences in on our ground at the corners so as to make it possible for a team to get through.

In this, I claim you are wrong. Now, I propose to you this; that we submit this question to the City Attorney, and if your contentions concerning the Law are correct, then I will pay the entire cost of straightening the alley, and if I am right, then you apologize to me for your unkindness and sign the petition for the opening of the alley, which is a much less thing to do, than to pay the entire cost of opening the alley, which I agree to do if I am wrong.

I hereby accept the above proposition:
